Full allergen information is available on request. Our food is prepared in kitchens where all allergens may be present. Due to fryers & cookers being used for more than one product, there is a small possible contamination risk even if the ingredient is not present in the dish. If you have a food allergy please let us know before ordering. Where we offer items that are NGCI (Non Gluten Containing Ingredients) we cannot guarantee that they are entirely 'gluten-free'. Not available with a Diner's card. Adults need around 2000kcal a day.
